\*\*\*\*\*NOVEMBER PROGRAM\*\*\*\*\*

The Chief Radio Officer of Orange County will present a short program on the communications system used by the various agencies in the county. Hopefully there will be an election of club officers for 1985. At present there are openings that the Nominating Committee have been unable to fill. As the story goes "No officers-----No club!!!!!!!"

\*\*\*THE PREZ SEZ\*\*\*

The November election of club officers is upon us and at this time there is an incomplete slate of nominees. The Nominating Committee has reported that no one in the Orange County Amateur Radio Club was willing to run for the following offices: President, Vice-President, Secretary, Activities Chairman. According to the club By-Laws I cannot run for President, but, I will become a Member-at-Large and will run for Treasurer.

This crisis in leadership comes at a time when the club has a solid treasury, an active cadre of involved people, and several new and interested hams. While some may call this cadre a clique, I have noticed that it is some 5 or 6 people in the club who do all the planning and perform all the work while the rest of the club sits back and reaps the fruit of the labor.

As club President I have tried innovative programs to increase the number of members and provide activities for the membership. I have been forthright and honest with the club. It is in this light that I now inform you of the crisis in involvement.

In the event that no one was to step forward and fill the aforementioned open positions the club will cease operations as of January 1, 1985, until such time as a full slate of officers could be presented before the general membership for a vote. This action would cause the club to lose it's meeting room, cause all club assets to be frozen until such time the club resumed normal operations, and jeopardize the retention of the club call "W6ZE". Oh yes, the "RF" wouldn't be printed either.

The choice is up to you as an individual. Do you want a radio club? Do you want this club to continue? Are you dissatisfied with the way the club is run? Do you see how it can be run any better? If so now is your chance to contribute and provide the leadership this organization needs.

See you at the November meeting

Chris, KA6IMP
